ACTIONS / NEXT STEPS

- [ ]
- [ ]
- [ ]
- [ ]
- [ ]

Turn knowledge into action. Small steps, big results.

NOTES

Title: Markdown

Topic:

Es un lenguaje de marcado ligero creado por John Gruber y Aaron Swartz que trata de conseguir la máxima legibilidad y facilidad de publicación texto en su forma de entrada como de salida, inspirandose en muchas convenciones existentes para marcar mensajes de correo electronico usando texto llano.

QUESTIONS & REFLECTIONS

What questions do I have?

What is unclear or confusing?

What ideas connect?

How can I apply this?

What assumptions should I challenge?

SUMMARY

Write a brief summary of the main points.

KEY TAKEAWAY

Capture the most important insight.
